## An APOSTOLIC TEAM RESPONDS TO THE CALL OF CHURCHES, REGIONS, AND NATIONS

The apostolic ministry is a team ministry. The development and training of teams is another sign of an apostle. Building, Equipping, Training, Activating, Impartation, and Commissioning is what we are built for, as team operating in the body of Christ. We prophetically change atmospheres, climates, regions, nations, and all generations of people.

By Releasing a sound through worship and praise, it causes the "glory of God" to come and invade our earth! Transforming lives!! Bringing Restoration!!!
